

PARADE GUIDELINES

Our parade is a celebration of St. Patrick and of our shared Irish Catholic Heritage.

The Parade Committee has sole and final decision concerning the approval of marching units. Submitting an application does not guarantee a space in the parade.

If marching units carry flags, Irish & American flags are the only flags permitted. Carrying no flags is also acceptable. The American flag goes on the right side of the formation and the Irish Flag on the left. No other flags will be permitted.

The only banners permitted are the ones that identify the unit. Only one banner for each unit.

No eating, drinking or smoking in the line of march.

The parade is not to be used as a platform for political gains or as a means of protesting.

Leaders of each unit shall not delay the parade in any way.

Remember you are on Third Avenue, once a year, for about an hour. All units should display themselves with dignity and pride in their Irish heritage. Please dress accordingly.

Should you have any questions regarding these guidelines, please contact Linda Gallagher-Lomanto at linda@brparade.com or 917-733-6764.
